Hi all,

Looking forward to having us all together next Friday. We'll be meeting in the 1st floor conference room in the Toxicology building (aka CHHE conference room).

Here's what I've put together as an agenda. Let me know if you have any additions/suggestions/etc. I'm hoping to put together a slide set for the study for everyone to use and hopefully will have a draft of the poster for the CHHE symposium as well.
